British Cutlery: .de: Peter Brown: Fremdsprachige Bücher

The photos are excellent and the various periods of cutlery are arranged into well defined chapters. The text and notations are well researched and easy to follow. This is the best source we know to detail the history of British cutlery (easily extrapolated to European and North American cutlery as well).

British cutlery : an illustrated history of its design ...

Bibliography Includes bibliographical references (p. 154). Summary This lavishly illustrated book provides a comprehensive survey of the design and evolution of cutlery in Britain from Neolithic times to the present day.

British cutlery: an illustrated history of design ...

The book is based on the remarkable collection formed over the last forty five years by Bill Brown, one that is particularly strong in the early periods not often represented in museum collections. The book is divided into two parts: Part I contains chapters on the evolution of cutlery design; the ownership of cutlery; the use of cutlery at ...

British Cutlery: An Illustrated History of Design ...

British Cutlery book. Read reviews from world's largest community for readers. The book is based on the remarkable collection formed over the last forty ...

British Cutlery: An Illustrated History of Design ...

This a review of "British Cutlery; an Illistrated History of Design, Evolution and Use." I am a quite disappointed in this book. I was lead to believe that this book would do what it was decribed to do: Not only give us the Evolution of Cutlery throughout England, but also the use of the individual pieces.

British Cutlery: An Illustrated History of Design ...

The photos are excellent and the various periods of cutlery are arranged into well defined chapters. The text and notations are well researched and easy to follow.
