China announced a large scale government reform | VOP NEWS

CHINA (VOP TODAY NEWS) – China has decided to unite the banking and insurance regulators within the largest reform of the government structure in recent years, reports Reuters. China will also transfer some of the functions of the banking and insurance regulators to the central bank.

China's Economic Reform The Balance

China's economic reform is a long term plan to shift from a command economy to a mixed economy. That means its recent slowdown in economic growth is intentional. It's not a sign of a collapse. It's consistent with a long term plan Chinese President Xi Jinping released on November 16, 2013. That plan was updated in December 2015.

China's Government Reform and Implications for Foreign ...

At present, the eyes of the foreign business community in China understandably are fixed on United States (US) President Donald Trump's levying of tariffs on Chinese strategic goods, China's retaliation, and the potential for the situation to escalate.

Draft Reform of Government Agencies Submitted to China's ...

BEIJING (Sputnik) A draft reform of China's government agencies has been submitted to the country's main legislative body, the National People's Congress. According to the draft, released on Tuesday, the reform seeks to modernize and improve the structure of the government, increasing its effectiveness and meeting the actual needs of the country's population.

Government of China

Under China's current Constitution, the NPC is structured as a unicameral legislature, with the power to legislate, the power to oversee the operations of the government, and the power to elect the major officials of state.
