Book: Color My Sketch Book Tools used? Faber Caltell Polychromos, Caran dAche water based pencils, Copic markers I used marker for the background, lucky when I took the picture with my phone, it went completely black See more. ...

**Turn a Pencil Sketch Into a Colorful and Dynamic Character ...**

In this tutorial, I will explain how to use Photoshop's painting tools to turn a pencil sketch into a colorful and dynamic character illustration. In this process, I will show you how to manipulate your sketch, block in your colors, and finally how to add lighting and texture.

**How to COLOR your SKETCHES Digitally!**

After many questions, I finally explain how I color my sketches digitally for Instagram. Which happen to be my most popular Instagram posts to date.

**How to change the color of background in sketch ...**

I'm on 2017 and I went in and changed the background while in a sketch. It worked fine. I didn't post anything because I couldn't understand why anyone would want to change the background color while in sketch mode.

**Edit Canvas Color? — SketchTalk The Friendly Sketch ...**

I don't have a lot of vector application experience. I want to adjust the background color, not of the image itself, but the canvas itself so that I can see artwork that is white.

**Midnight — Dark Theme Sketch Plugin – Designer News**

Snatched it up without a second thought, because I've been dying for a dark theme since my beginning with

Sketch. But yeah, I really am surprised this isn't a native feature at this point. But yeah, I really am surprised this isn't a native feature at this point.

### **Adding Color to Sketch Photoshop Tutorial**

Here is a quick tutorial to add colors to the sketches you have. I went through the process pretty fast, so there are some clumsy mistakes here and there, but you should be able to get it right on ...

### **Solved: Change Background Color PTC munity**

Re: Change Background Color Try posting to the Creo forum. This forum is for Creo Elements Direct, not Creo Parametric; the people who frequent this may not know enough about Creo Parametric (I certainly don't).
