**: Customer reviews: The Connected Educator ...**

With that, in their book The Connected Educator: Learning and Leading in a Digital Age, Nussbaum Beach and Hall introduce the idea of the teacher modeler of connectedness, and throughout their book, they tell educators how to become a "connected educator."

**The Connected Educator: Learning and Leading in a Digital ...**

Create a connected learning community through social media and rediscover the power of being a learner first. After uncovering the theories and research behind the significance of learning through collaboration with other educators, the authors show you how to take advantage of technology to improve your own learning and ultimately the learning of your students.
