Desire Wears Diamonds (The Jaded Gentlemen Book 6 ...

The Jaded Gentlemen Books are full of intrigue, passion and hope. The characters are well developed and Miss Bernard does a wonderful job of pulling the past, present and future together to create a series of books that had me holding my breath throughout. The romantic elements were just hot enough to keep happy without becoming gaudy. I highly recommend all six of these books and have already bought her follow up first installment. Keep writing miss Bernard, I look forward to more.

Desire Wears Diamonds (Jaded Gentleman, #6)

I thoroughly enjoyed Desire Wears Diamonds from the first page to the end. This is the first book I have read by Renee Bernard, and now, I want to read the prior books in this series. Happy reading!
