### **About Drive to Survive**

Saving our most precious resource Human Life! Drive To Survive (Est. 1983) programs are designed to improve driver behaviour as well as building on existing experience by increasing a driver's knowledge and awareness.

### **Drive to Survive**

Each year, vehicle crashes are a leading cause of death and injury for emergency responders and corporate employees. Yet few agencies provide regular training on vehicle operations and crash prevention. The Drive to Survive training program is designed address this issue by teaching students HOW and WHY motor vehicle crashes occur.
