## **The Early Luther: Stages in a Reformation Reorientation ...**

Rather than looking for a single breakthrough, Hamm carefully outlines a series of significant shifts in Luther's late medieval theological worldview over the course of his early career. The result is a more accurate, nuanced portrait of Reformation giant Martin Luther.

## **The Early Luther: Stages in a Reformation Reorientation ...**

In The Early Luther Berndt Hamm, armed with expertise both in late medieval intellectual life and in Luther,

presents new perspectives that leave old debates behind. A master Luther scholar, Hamm provides fresh insights into the development of Luther's theology from his entry into the monastery through his early lectures on the Bible to his writing of the 95 Theses in 1517 and The Freedom of a Christian in 1520.

**The Early Luther: Stages in a Reformation Reorientation ...**

Hamm argues provocatively that the seeds for Luther's gradual Reformation reorientation may be found already in his early years as a monk. He locates these seeds in the darkness and bitterness of Luther's Anfechtungen , which caused him to yearn for an existential theology and also persuaded him that he had nothing to contribute to his salvation (33).
