George Mason – Father of the Bill of Rights

Mason's reasoning was simple: He was concerned that the federal government might become too powerful, he was alarmed that the original Constitution lacked a Bill of Rights, and Mason strongly believed that the edict, "all men are created equal," should also apply to slaves.

Constitutional Convention (United States)

George Mason demanded a Bill of Rights if he was to support the Constitution. The Bill of Rights was not included in the Constitution submitted to the states for ratification, but many states ratified the Constitution with the understanding that a bill of rights would soon follow.

George Mason constitution | Laws

A delegate from Virginia to the United States Constitutional Convention, George Mason (along with James Madison) is commonly referred to as the "Father of the Bill of Rights". Unlike Madison, however, George Mason never wavered on his political stances. Mason was a staunch proponent for the inclusion of individual liberties into the United States Constitution. The patriot from Virginia ...
