PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading Crochet (Idiot's Guides).

my book: The plete Idiot's Guide to Amigurumi

I can hardly believe I'm finally getting to write these words: my crochet book, The plete Idiot's Guide to Amigurumi, is out today!* It's been a very long process that's taken me to this point, and part of me still doesn't believe it's real, although I do have this proof:

PlanetJune by June Gilbank

My name is June Gilbank, and I'm a crochet pattern designer, crochet and craft book author, and multi crafter. My crochet specialties are cute and realistic nature inspired designs and elegant accessories, and I'm committed to creating exceptionally clear, accurate patterns and tutorials.
