Killing Rommel is the best Press field novel I have read. Presented as a memoir of soldier become editor and publisher after WWII, it is told in the first person with more detail than one in battle could possibly know or remember, but the facts of the desert war and the characters fighting it drew this reader into the fight: I, indeed, felt I was reading a well written first hand account of one who had been there. That is a real tribute to Pressfield's research and story telling.

Killing Rommel

Chapman's squadron is given orders to navigate across barren deserts, find Rommel when he is vulnerable and unsuspecting, and assassinate him. The group experiences many trials as it travels through hundreds of miles of barren desert, dealing with sickness, fatigue, dehydration, overheating trucks, Axis patrols, and more perils.
