## **DIY Laundry to Landscape Graywater System**

Learn how we installed a simple graywater system, using the water from a laundry machine to irrigate the yard. Lead by Babak Tondre of DIG Coop, we discuss how to plan a system, what plants to ...

## **Laundry to Landscape: A Simple, Efficient, Economical ...**

We have been using greywater from the laundry in a very labor intensive way since we had not seen a method that we could do easily with our situation. This method worked extremely well. You can make it as simple as you want or as elaborate as you want. Art Ludwig know his materials. Thank you for offering it on since that makes it easier for us to purchase. I highly recommend this system.

## **Laundry to Landscape 2.0 | Root Simple**

I just installed a laundry to landscape greywater system at the house of Lora Homegrown Neighbor Hall using greywater guru Art Ludwig's free open source plans. It was a cinch. And, thanks to a revision in the California plumbing code last year, it's legal with no permit required.

### **From Laundry to Landscape: Tap Into Greywater Green ...**

A Simple Laundry to Landscape System The simplest type of greywater use is to collect water in a dishpan as you handwash dishes, and then toss it over your flowerbeds or fruit trees.

### **Laundry to Landscape Original plete Information Hub**

The Laundry to Landscape system is the simplest, least expensive, lowest effort way to get the most greywater out on to the home landscape most effectively. Due to its inherent simplicity and low cost, it has been widely adopted, accommodated in building codes, the subject of numerous government rebates, workshops and government training.

### **Laundry to Landscape Legal in LA | Root Simple**

Ludwig's Laundry to LandscapeCalifornia's new greywater code, passed in August of last year, was a big step in the right direction. The revised code legalized simple laundry to landscape systems of the sort promoted by greywater guru Art Ludwig and allowed their installation without a permit.
