Managing Risks in the European Periphery Debt Crisis ...

The European Periphery Debt Crisis (EPDC) has its roots in the structural characteristics of the individual economies affected. This book offers a full diagnosis of the EPDC, its association to the national and international structural characteristics and a full analysis from a risk management point of view of the available policy options.

Managing risks of a no deal Brexit in the ... esma.europa.eu

The European Securities and Markets Authority (ESMA) is publishing this Public Statement to address the risks of a no deal Brexit scenario in the area of central clearing. The ESMA Board of Supervisors supports the continued access to UK CCPs to limit the risk of disruption in central clearing and to avoid negatively impacting EU financial market stability.
