Marino's the ICU Book: Print amazon.de

Most of the time it has adequate information in whatever I want to look up, last time it was hypothermia after cardiac arrest. Also, I have seen a couple resident docs carry around this book as well and other nurses have said it's a great book too. The couple chapters I have read have already taught me a whole hell of a lot.

Marino's The ICU Book International Edition (English ...

A fundamental and respected resource book in critical care, The ICU Book, Fourth Edition, continues to provide the current and practical guidance that have made it the best selling text in critical care. The text addresses both the medical and surgical aspects of critical care, delivering the guidance needed to ensure sound, safe, and effective treatment for patients in intensive care—regardless of the specialty focus of the unit.
