Portfolios of the Poor: How the World's Poor Live on \$2 a ...

Portfolios of the Poor states that the poor are also subjected to the "triple whammy" consisting of low incomes, irregularity and unpredictability and lack of tools. The authors found that of all the commonalities the poor that were taking part in the research, the most fundamental were that households were coping with incomes that are not just low, but also irregular and unpredictable, and that too few financial instruments are available to effectively manage these uneven flows of cash.

Portfolios of the Poor

Portfolios of the Poor: How the World's Poor Live on \$2 a Day (Princeton University Press, 2009) tackles the fundamental question of how the poor make ends meet. Over 250 families in Bangladesh, India, and South Africa participated in this unprecedented study of the financial practices of the world's poor.

Portfolios of the Poor: How the World's Poor Live on \$2 a ...

Either way, Portfolios of the Poor is a compelling reminder that financial services are critical tools the poor use to cope with poverty (whether or not they escape it), and that improving the reliability and quality of those service adds real value to their lives.

THE PORTFOLIOS OF THE POOR We learned how and when income lowed in and how and when it was

spent. Looking at poor households almost as one might look at a small business, we created household level balance sheets and cash flow statements, focusing our lens most sharply on their financial behavior—on the money they borrowed and repaid, lent and recovered, and saved and withdrew, along with ...

Review of Portfolios of the Poor: How the World's Poor ...

Some themes of Portfolios of the Poor will be familiar to readers of Rutherford's *The Poor and Their Money* (free early version). Rutherford is not the sole author of the new volume of course, but might be said to be its soul author, his influence being clear.

Portfolios of the Poor — How the World's Poor Live on \$2 a ...

The poor are wealth managers, creating complex financial portfolios of formal and informal tools, and the desire to save and do more with their lives despite their economic situations (Collins et ...

Portfolios of the Poor: How the World's Poor Live on \$2 a ...

A more important study than it is an interesting book, *Portfolios of the Poor* presents the results of several years' worth of "financial diaries" kept by extremely poor people in India, Bangladesh, and South Africa.

Portfolios of the Poor
