: Customer reviews: Puzzles Old And New: How To ...

I bought the book originally to learn how to make some of the puzzles. The fact that there are dozens of puzzles to make immediately differentiates the book from others. There is an enormous wealth of information about puzzles of all kinds. The authors have notes about puzzle inventors, tips on making puzzles, and, in a few cases, tips on how to solve the puzzles. Really a nice book for anyone with an interest in puzzles.
