## **Sake: The History, Stories and Craft of Japan's Artisanal ...**

For novices, it will open a window to the world of sake and the stories of the passionate people who make it. Well initiated enthusiasts will benefit from a curated list of sake, shochu and awamori breweries and distilleries they can further research, buy and taste. Because many of these breweries and distilleries do not actively export their products outside Japan, beverage professionals will discover many brands that they wish to contact and consider importing for their menus.
