parison of the Amundsen and Scott expeditions

Priority at the South Pole: Amundsen beat Scott to the South Pole by 34 days. Fatalities: Scott lost five men including himself returning from the pole, out of a team of 65. Amundsen's entire team of 19 returned to Norway safely.

Scott & Amundsen: Their Race to the South Pole Hörbuch ...

This is a brilliant dual biography charting British Robert Scott's and Norwegian Roald Amundsen's race to the South Pole during 1911–12. Huntuford's is the accepted, definitive account of the race and a reassessment of the two men. Thoroughly researched, revealing the adventures and misfortunes that befell them both, he describes the driving ambitions of the era, and the complex, often deeply flawed individuals who were charged with carrying them out.

New Book The Last Place on Earth: Scott and Amundsen s Race to the South Pole, Revised and Updated

The Race to the South Pole Roald Amundsen and Robert ...

The attainment of the South Pole by Roald Amundsen ahead of Robert Scott has frequently described Amundsen as the winner in a race. Over a hundred years later there is still debate about the events, how well the two men were prepared, how they conducted themselves, what role luck had to play and not least of their legacies. They both led five man teams to the pole, though while Amundsen's team returned alive and well, Scott's party all died on the return journey.

The Last Place on Earth: Scott and Amundsen's Race to the ...

.de. On December 14, 1911, the classical age of polar exploration ended when Norway's Roald Amundsen conquered the South Pole. His competitor for the prize, Britain's Robert Scott, arrived one month later but died

on the return with four of his men only 11 miles from their next cache of supplies.
